<ul style="list-style-type: none"> • This exhibit is a quality selection of FIVE OR MORE different kinds and /or varieties of fruits and/or vegetables. Amounts of fruit and vegetables in this exhibit should be such that they can be arranged in a neat and orderly manner and have good eye appeal. There must be enough of each fruit or vegetable for the judge to determine quality. • All fruits and vegetables exhibited must be grown by the exhibitor with no artificial decoration. • No specimens in this exhibit may be entered in another class. Any combination of fruits and vegetables may be used. Those not listed in the catalog may be included. • The exhibit must be in a container such as a basket or box. It may be covered with a clear plastic cover but judges must be able to handle produce to determine quality. One-third (1/3) of the judging will be on how well the exhibit is prepared and presented. Packing such as paper, straw or cloth, may be used but the fruit and vegetables should be the main attraction of the exhibit.
